WINCHESTER

.351 Caliber High Power Self-Loading Rifle

This repeater is reloaded by its own recoil. To shoot it six times it is only
necessary to pull the trigger for each shot. The ease and rapidity with
which it can be fired make it a particularly effective rifle for hunting game
often shot on the run. Like all Winchester rifles, it is safe, strong and simple.

Full description of this rifle, "The Gun That Shoots Through Steel," sent upon request.
